

The **Retail / Mixed Use Development of the Year Award** is open to development and re-development projects that have been completed or substantially completed during the Eligibility Period: January 1, 2022 to December 31, 2023. A retail or mixed use development is considered a building or a complex of buildings, which is entirely retail in nature or a building with a mix of retail, office, residential, cultural, hospitality or institutional uses whose functions are physically integrated. Eligible projects must be at least 50% unconditionally leased or sold by the submission date. All projects within the City of Calgary and the Greater Calgary Area are eligible for this award.

If a project was completed prior to the commencement of the Eligibility Period but did not meet the leasing threshold until the Eligibility Period, it is eligible and should be submitted. The development or redevelopment cost of the project including land, hard and soft costs must be at least \$5,000,000. Projects in which the owner occupies space are eligible for the Award, provided that a minimum of 50% of the leasable area of the Project is leased or available for lease by third parties.

Check off both boxes to ensure eligibility criteria are met:

- Eligibility Period: Development and re-development projects completed or substantially completed during January 1, 2022 to December 31, 2023.
- Development or re-development cost of the project must be at least \$5,000,000 (including land, hard and soft costs).
- The project is at least 50% unconditionally leased or sold by the submission date.

Privacy Statement: The information collected on this form will be used for the sole purpose of administering the NAIOP Awards and the applicant understands that the winner's name will be announced at the REX Gala and may be published on the NAIOP Calgary Chapter website and in other media announcements.

Project Description and Project Highlights

(Please note: this form and all attachments and inclusions must be submitted in PDF format. See specifications on page 3).

Provide any marketing materials or brochures you feel best represent the project and provide sufficient details that NAIOP Calgary will have a solid understanding of location, major tenants, size, and the overall project. In addition to the marketing materials, please provide brief highlights of the project not articulated in the marketing materials. We encourage you to use the written highlights to concisely explain why you think your project deserves to be recognized as the best retail / mixed use development of the year! The highlights should be tailored to identify the particular strengths of the project with respect to Award Criteria on page 3 and should include considerations like:

Please note that how the applicant lists the submission information, including names and details on page 2, is how it will read in all marketing materials.

- Context in which it was conceived and executed
- Financial success metrics or success compared to competition (absorption, tenant mix, public reaction etc.)
- The manner in which it distinguishes itself from other recent retail / mixed use developments
- Major planning, municipal and environmental objectives/constraints
- Design challenges / design opportunities
- Project strengths, features and amenities
- Construction challenges: cost, site conditions, schedule, etc.
- Innovations in concept, design or construction methods

Also include and attach a brief separate typewritten **Summary**, using 50 words or less, which describes and captures the essence of the development in a manner that may be used in the REX Awards program or other marketing materials. Please clearly label this as the "Transaction Summary."

Project Team Information *Please print clearly.*

It is the responsibility of the key contact named on page one to consult with all of the individuals who may be identified here and ensure that all project team members have granted permission for their names and their companies to be included in this REX Award submission.
